Smartphone Fashion Show: Nine Beautiful Smartphones Prove They Aren't All Black Slabs

Some people complain that all smartphones today are black slabs. Actually, we have seen some brilliant colored phones the last couple of years so here's a few to consider.. from <https://www.zdnet.com/pictures/smartphone-fashion-show-nine-beautiful-smartphones-prove-they-arent-all-black-slabs/#ftag=RSSbaffb68>.
